Thank you so much for the most pleasant visit with you [redacted] during my stay [redacted]. You were most hospitable in inviting me to your home, and the conversation was indeed enlightening and stimulating. I much appreciate the opportunity to learn your views on the matters we discussed, and I carried away an excellent impression of the whole visit, particularly your hospitality. I hope to be able to see you one day in America to continue our discussion.

Sincerely,

/s/ W. E. Golby
